Reach.

Creating Safe Connections and Environments that Promote Development

All staff at Reach are here to help, listen and support.

We all want to help keep everyone safe.

There are times when we may need to pass on concerns to other people. This could be your family, school or other agencies such as Children's social care.

We will talk to you about this.

The lead safeguarding people at Reach are pictured on here.

You can ask your worker to see any of us or come to our base and meet us or call, text or WhatsApp us on **07966 281959**.
