

Invite & Briefing for Youth Workers & Youth Clubs

South Petherton Youth Club (Youth Workers & Young People) will be touring the UK in November as part of National Youth Work week with the aim of sharing & celebrating youth clubs and the vital work they offer to their communities.

We would like to invite you to book us in for a stop off at your youth club.

During this visit, we would aim to spend up to an hour with you to try to achieve the following:

- To make a food donation from our youth club for you to cook & share as a meal with your young people at a later date after our visit
- For Youth Workers to write into our tour book, sharing the top 5 most important things that your youth club achieves week to week for it's community
- For young people to write small positive messages of hope onto the side of a van for everyone to see on the tour
- For us to seek in collaboration with you, ideas for getting future food donated to your youth club (via public, businesses, sponsorships or other creative method) for free for the next 12 months
- To where possible, seek to get MPs and other prominent people locally involved or aware to join the campaign to raise awareness and seek resources.

Information regarding data protection and the safety of our visit will be shared and discussed.

Messages of hope will be managed by us with young people being invited up one at a time to write a small positive message of hope. This will be filtered to ensure everything is positive and supportive to all.

Relevant information including our DBS numbers & insurance will be shared as required. Our visit can remain outside of the building if desired (without having to enter the premises) although we would, where suitable, welcome coming inside and being shown around (totally optional)

Details of the contents of the book and words on the van will be visible for all to see and will be shared to ministers in parliament on a visit by our youth club young people.

If you would like to discuss a potential stop off and donation by us, then please make contact via the details below by Friday 16th October. We have only 50 stops available on a first come first booking service.

Sharing **Gratitude & Hope** Across the Nation

Dan Palmer (Lead Youth Worker) South Petherton Youth Club. 07900 321972
