

# **Invite & Briefing for MPs, Ministers & Council Leaders**

Invite to meet Youth Workers & Young People on a UK tour of Youth Clubs.

South Petherton Youth Club (Somerset) (Youth Workers and a young person) will be touring the UK in November as part of National Youth Work week to celebrate Youth Clubs and share hope for young people.

We are inviting 50 youth clubs to contact us, to arrange a food donation from our youth club. This has the aim of each youth club cooking a meal together with their young people at a later date after our visit. We also hope to secure through local searches and connections an opportunity for each youth club to receive free food for one whole year so that they can continue offering free hot meals.

We would like to invite you to meet us at any point of the tour, support the food donation from young people from Somerset plus join in a short exercise of writing messages of hope to young people from your community to other young people all across the UK, via message boards on the sides of our mobile vans. We also welcome your ideas and solutions to your local club direct on sourcing free hot food ingredients ongoing for 1 year. We also welcome you connecting us to any youth club in the County / City or area listed on the schedule below.

The word contents of these boards will eventually be shared in Parliament through a visit from our young people, hosted by our local MP (& ex Youth Club member) Adam Dance.

We really want to help raising the profiles of these essential Youth Clubs that do such vital work in our communities. Adam Dance stated in parliament that his youth club saved his life. This is also true for other young people. Food is being explored in schools and many other settings. We really want to put food on the maps of youth clubs that can offer food at a time when schools are closed or not accessible to some people due to their personal circumstances.

Thank you advance.

Dan Palmer (Lead Youth Worker) South Petherton Youth Club
